Salone del Mobile is approaching!

Among this year's novelties, you will find:

Space+

The same flexibility with a new style.

A restyling of the iconic Space model, but with a twist: it's Space+.

Ari

Presented as a prototype at the Salone del Mobile 2023, the Ari collection is now doubling! Maintaining the same aesthetic, it is now available in an **indoor version**, and the family has further expanded with the introduction of a comfortable **armchair**.

Come visit us at our booth in the new location:
