## Et al.

Marco Acerbis, winner of the XVIII ADI Compasso d'Oro, has been appointed Art Director of et al., the Italian seating and tables brand founded in 1956 as Metalmobil. The architect and designer brings a product-first philosophy—emphasizing technical and functional excellence alongside aesthetic innovation—to strengthen the brand's international presence as it marks its 70th anniversary. His appointment signals a more identity-driven, visionary direction for the hospitality-focused manufacturer.
