20/08/2018 - Soft tones and a contemporary atmosphere for **Unico Gelato & Caffè** in Milan realized with **Metalmobil** (<http://www.archiproducts.com/en/metalmobil>)'s collections. A project by Ifi Contract in collaboration with Motif Design.

The collections selected from the wide and rich products catalogue are: **Stripes** (https://www.archiproducts.com/en/products/metalmobil/plate-chair-stripes-547_333249), in white with and without armrests, a modern minimalistic metal seat; **Kyk** (https://www.archiproducts.com/en/products/metalmobil/upholstered-armchair-with-armrests-kyk-542_159788), in the sofa and armchair variants, with its dimensional and ergonomic features that make it particularly suitable for socializing places; **Jet** (https://www.archiproducts.com/en/products/metalmobil/round-coffee-table-with-steel-legs-jet-521t_272630), a solid and discreet table that meets the current need of public places to have living areas similar to those we find in residential contexts.
